

### 1. POLICY

Australian Academy of Higher Learning Pty Ltd trading as Technical Institute of Victoria (TIV) Will ensure that this policy is in accordance with the ESOS Act 2000 and the ESOS National Code 2018.

### 2. PURPOSE

The purpose of this policy is to ensure that TIV adopts a refund policy that is fair to students who have valid reasons for requesting refunds and who give TIV sufficient notice, while at the same time protecting TIV from suffering economic loss that may be caused by refund requests that are not submitted within the required timeframe. The purpose of this policy is to set out the circumstances under which students may claim a refund and the associated procedures for handling refunds.

## 3. SCOPE

This policy and procedure applies to all the fees received from international students enrolled by TIV as well as fees received from all the prospective students who pay an advance fee when applying for a place at TIV.

### 4. REQUIREMENTS, PROCESS AND PROEDURE

4.1 The only refundable fees are the tuition fees. Fee refunds will be based on unexpended (unused) tuition fees.

4.2 Where an enrolment change is necessitated by illness or other exceptional and compassionate circumstances

beyond the student's control and which prevent the student from completing studies in that study period, any

refund of tuition fees is contingent upon approval of the refund by the CEO.

4.3 The fees and charges required to be paid to TIV by a student will be as specified in a signed written agreement between the student and TIV that is entered into prior to the student commencing in the course(s) to which the agreement pertains.

4.4 Fees and charges may be consolidated under a "package" if the student is enrolled in more than one course at TIV.

**4.5** TIV does not allow its Education Agents to collect any tuition fees on its behalf. The following refund conditions and procedures will apply to all the fees paid to TIV.

Note: If the institute is unable to provide a refund or place the student in an alternative course, the TPS will provide the student with options for suitable alternative courses (if any such courses are available), or if this is not possible, the student will be eligible for a refund as calculated by the TPS Director.

### 5. **PROCEDURE**

5.1 All refund claims must be submitted in writing via college's Refund Request Form accompanied by appropriate supporting documents as specified to Accounts Department of TIV.

5.2 All refund applications must be made and signed in person by the student. Where it is not possible for a student to be present in person (e.g. students residing overseas or international students) to claim a refund, the student must send a scanned copy of their signed forms to the Student Administration Officer either by email. On receipts of email application, the Student Administration Officer will verify student's signatures on records and may also telephone the student to verify student's identity. No refunds will be made on email until the time when student's identity has been verified.

5.3 All applications for the refund will be authorised by the Chief Executive Officer.

5.4 A refund of fees in relation to an international student will be made in the same currency in which the fees were paid and be made to the party who entered into the written agreement with TIV, unless that person directs

TIV otherwise in writing.

5.5 In normal circumstance, TIV will refund the amount within four (4) weeks after receipt of the completed

and signed Refund Request Form together with appropriate supporting documents.

5.6 Payments will be made to students by electronic transfer in their nominated bank accounts.

5.7 For any refund to be paid to any other person than the students, a written authorisation from the student will be required.

#### 6. GRIEVANCES AND APPEALS

A student may appeal against a decision made with respect to fees, including refunds, and the appeal must be lodged in writing according to the processes for appeals as detailed in the Student Complaints and Appeals Policy and Procedure. Availability of TIV's complaints and appeals processes does not remove the right of a student or

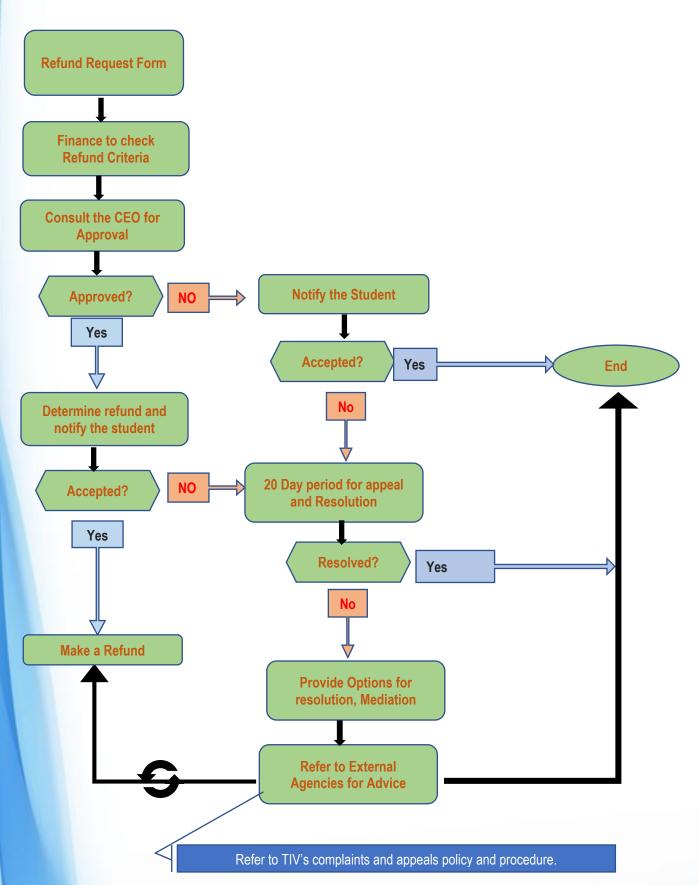

an intending student to take action under Australia's consumer protection laws or to lodge an appeal with a relevant external body or to take other legal action.

#### 7. **RESPONSIBILITY**

The Accounts Payable Officer has the responsibility to process the refund claims and provide the student details and fee status to CEO for approval.

CEO has the responsibility to make a final decision about all the refund claims. Any complaints or breaches in relation to this policy should be reported to the CEO in person or by email to: <u>ceo@techinstitute.vic.edu.au</u>
